SERVICES

| Services and prices per parcel | | |
|--------------------------------|---|----------|
| Ad Hoc Pickup | If you do not have a fixed pickup agreement, you can use Ad Hoc Pickup for collecting a small number of parcels. Ad Hoc Pickup can be ordered up until 22:00. This means that a driver will collect up to three parcels on the next weekday during his/ her delivery trip. Ad Hoc Pickup must be ordered for each parcel so we know the number of parcels that need to be picked up. The parcels must be ready at the scheduled pickup time. | + 21.00 |
| Age Check (for Sweden) | When sending parcels to Sweden, some items require age verification. In so doing, we ensure that the recipient is over 16, 18 or 20 years old before handing over the parcel. Please note that it is not possible to use PostNord for sending alcoholic beverages to recipients in Sweden. | + 20.00 |
| Print label | Use Print label when you want to use our digital return solution. Your customers receive a QR code, which they show at a PostNord Parcel Shop to have the return label printed. Print label is available in Denmark and from Norway and Sweden | |
| | • Return Drop Off | + 0.00 |
| | • PostNord Parcel Locker/Service Point, MyPack Home and PostNord Parcel | + 5.50 |
| Insurance | For all countries, it is possible to purchase transport insurance, so the contents are covered up to DKK 100,000. You can add this service per parcel – this also applies to return parcels. Please note that valuable items must be sent using the Insured items service instead. | |
| | • Denmark | + 85.00 |
| | • Europe | + 145.00 |
| | • Resten of world | + 180.00 |
| Signature Assurance | If it is important that the recipient signs for the parcel when we deliver it, you can choose the Signature Assurance service for MyPack Home and PostNord Parcel. We ensure that the parcel will not be left at the address nor deposited in the recipient's mailbox. You can see who received the parcel in the Customer Portal. | + 10.00 |
| Insured Items | Parcels containing money, precious metals, jewelry, and similar precious items whose value exceeds DKK 4,800 must be sent using the Insured Items add-on service. The maximum value of the contents is DKK 30,000. You can choose the Insured Items service for parcels sent to recipients in Denmark, the Faroe Islands and Greenland. If you need to send valuable items to other countries, these must instead be sent as Insured Items via Online Porto on www.postnord.dk . | |
| | • Denmark, value up to DKK 10,000 | + 65.00 |
| | • Denmark, value per DKK 10,000 over DKK 10,000 or part thereof | + 20.00 |
| | • Faroe Islands and Greenland, basic price | 95.00 |
| | • Faroe Islands and Greenland, value per DKK 10,000 or part hereof | + 90.00 |
| Collect in Store | It is easy to have parcels delivered from your online shop to your physical shops. Further details are available in the Collect in Store fact sheet. | + 0.00 |
| | Setup fee per store created | 200,00 |

|--|--|--------------|
| Tires | When sending vehicle tires to recipients in Denmark, the Nordic countries, and a number of European countries, you must select the Tire service. Tires can only be sent as PostNord Home or PostNord Parcel and will generally be delivered with FlexDelivery. If this is not possible, we will leave the tires at the nearest Business Drop-off point for pickup. | + 0.00 |
| Dangerous goods in limited quantities (LQ) | Dangerous goods in limited quantities (LQ) may be sent as parcels. When sending LQ parcels, you are required to associate this service with the parcel and state the UN number, name of content and quantity (weight of content). If you send batteries that fall under the SP188 exception (maximum 20/100 Wh lithium), they are exempt and do not need to be sent with the service. You simply need to label the parcel with the battery mark (UN number). A list of permitted UN numbers can be found on postnord.dk . Only one substance (UN number) per parcel may be included. | + 0.00 |
| FlexDelivery | For sending parcels to recipients in Denmark or another Nordic country who are not present at the address when the parcel is delivered, you can choose to send these parcels using the FlexDelivery service. FlexDelivery saves the recipient a trip to the parcel shop and reduces the number of uncollected parcels that must be returned. All you do is tell us where to leave the parcel, and we will drop it off as specified by you, e.g. in the carport, next to the front door, etc. Further details are available in the Delivery fact sheet. Please note that in Denmark, parcels over 20 kg and tires are always delivered with FlexDelivery. | + 0.00 |
| ID Check (for Sweden) | Choose this service if you want your customers in Sweden to present an ID in return for being given the parcel. | + 0.00 |
| Not parcel locker | The service can be used for your parcels to Denmark, Finland, Norway, and Sweden if the contents of your parcel are not suitable for delivery to a parcel locker. | |
| Not outdoor parcel locker | If you are sending parcels to Finland, you can use this service if the contents of your parcel are not suitable for delivery to an outdoor parcel locker. This may include items that cannot withstand cold or heat. | |
| Return Immediately | If you choose Return Immediately, PostNord will return the parcel to you if the recipient is not at home to receive it. This means that the parcel will not be left at the address under RecipientFlex nor at a PostNord Parcel Shop for pickup. | + 0.00 |
| Bulk Split (for Great Britain and Norway) | If you send many parcels to Great Britain or Norway, you have the option of sending them with combined customs clearance using the Bulk Split service. This service requires that you send at least 1,000 parcels annually to the country in question and enter into a special agreement with PostNord, so please contact us for further details. | Agreed price |
| Heavy parcel (for Sweden) | When sending parcels weighing more than 20 kg to Sweden, you are required to choose the service Heavy. In addition, PostNord's barcode label "20 kg" must be affixed to three sides of the parcel. | + 0.00 |
