Attended (Sweden, Norway and Finland)	PostNord Home	In the Nordics, a PostNord Home parcel is typically delivered in front of the door or in the recipient's mailbox. If delivery directly to a person at the address is required, the "Attended" service must be selected. The recipient can use FlexChange to change the delivery location to another place at the address without being home or choose delivery to a parcel shop or parcel locker in the Nordics.	+10.00
Signature Assurance (Denmark, Sweden, Norway and Finland)	PostNord Home PostNord Parcel	If it is important that the parcel is delivered to the recipient with a signature, you must select the "Signature Assurance" service. We ensure that the parcel is not left at the address or placed in the recipient's mailbox. The recipient can, via FlexChange, move the parcel for collection at a parcel shop or parcel locker in the Nordics. In such cases, the parcel is only handed over upon presentation of a personal pickup code. • Denmark • Sweden, Norway, Finland	+10.00 +12.00
ID-check (Sweden and Norway)	PostNord Service Point PostNord Home	You can select this service if you want your customers in Sweden and Norway to show ID upon parcel delivery. ID-check cannot be combined with Signature Assurance.	+12.00
Age Check (Sweden)	PostNord Home	When sending to Sweden, certain goods require age verification. We ensure that the recipient is over 16, 18, or 20 years old, as required, before the parcels are delivered. Note: It is not possible to send alcohol to recipients in Sweden with PostNord.	+20.00
Ad hoc Pickup	PostNord Parcel Locker PostNord Service Point PostNord Home PostNord Parcel	If you do not have a fixed pickup agreement, you can use Ad hoc Pickup to have a small number of parcels collected. Order Ad hoc Pickup before 22:00, and the courier will collect up to 4 parcels the next business day during their delivery route. Ad hoc Pickup must be ordered per parcel, so we know how many parcels to collect. Parcels must be ready at the time of pickup.	+29.00
Print label (Denmark, Sweden, Norway and Finland)	PostNord Return PostNord Parcel Locker PostNord Service Point PostNord Home PostNord Parcel	Use Print label when the parcel label needs to be printed at a parcel shop in the Nordics. This service is used for returning parcels and can also be used when sending a parcel to your recipient. PostNord Return PostNord Parcel Locker, PostNord Service Point, PostNord Home, and PostNord Parcel.	+0.00 +5.50

Heavy (Sweden)	PostNord Home PostNord Parcel	When sending parcels over 20 kg to Sweden, it is mandatory to select the "Heavy" service. In addition, PostNord's barcode label ">20 kg" must be affixed to three sides of the parcel. If Heavy is missing in the EDI, this will appear on your invoice as: Heavy not specified.	+0.00
Dangerous goods in limited quantities (LQ) (Denmark, Sweden, Norway, Finland and selected European countries)	PostNord Parcel Locker PostNord Service Point PostNord Home PostNord Parcel PostNord Return PostNord Return Pickup PostNord Return Request	Parcels can be sent with dangerous goods in limited quantities (LQ). When sending LQ, you must add this service to the parcel and provide the UN number, substance name, and quantity (net weight). When sending LQ parcels to Finland, Åland Islands, Estonia, Latvia, and Lithuania, you must also provide the proper shipping name. For N.O.S. goods: technical names and category/classification. Batteries falling under exception SP188 (max. 20/100 Wh lithium) are exempt and must not be sent with this service, but simply labeled with the battery mark (UN number). At postnord.dk you can find the list of permitted UN numbers. Only one substance (UN number) per parcel is allowed.	+0.00
FlexDelivery (Denmark)	PostNord Home PostNord Parcel	If you send parcels to recipients who are not home at delivery, you can choose the "FlexDelivery" service. This saves the recipient a trip to the parcel shop and reduces the number of uncollected parcels returned. You simply specify where the parcel may be placed, e.g., in the carport or in front of the door and PostNord will deliver it there. You can read more about delivery at postnord.dk Note: Parcels over 20 kg and tires are generally delivered by FlexDelivery.	+0.00
Not to parcel locker (Denmark, Sweden, Norway and Finland)	PostNord Service Point PostNord Home PostNord Return	This service can be used for your parcels to Denmark, Finland, Norway, and Sweden if the contents of your parcel are not suitable for delivery in a parcel locker. The recipient will not have the option to FlexChange the parcel to a parcel locker. The service can also be used if you want your recipient not to be able to return a PostNord Return parcel in a parcel locker.	+0.00
