GENERAL PRICING INFORMATION

Prices are subject to a customer agreement with PostNord.

Shipping data, including weight, must be provided via EDI.

PostNord performs weight checks. If there is a negative weight discrepancy, a surcharge of DKK 35 per kg will be invoiced.

If PostNord does not receive an EDI, including weight information for a consignment, the price for 1 kg to the destination country will be invoiced.

Shipping prices are subject to an index based Energy Surcharge.
